

TRIBUTARY®

THE ULTIMATE ADVENTURE HOME BASECAMP CABIN

The nearly 5,000-square-foot Basecamp Cabin at Tributary was designed as the perfect launching point to greater Teton amenities. Offering a spacious two-level layout for relaxing and reliving the day's adventures, the Basecamp Cabin includes five bedroom suites, and a heated three-car attached garage. This inspired retreat challenges the expectations of what mountain real estate should be.
